

ManpowerGroup Talent Solutions Named Global 'Pacesetter' for its Digitally-Enabled, Data-Driven Workforce Solutions

March 25, 2021

MILWAUKEE, March 25, 2021 /PRNewswire/ -- ManpowerGroup Talent Solutions (NYSE: MAN) has been recognized by industry Analyst ALM for its deep workforce insight and ability to design and deliver workforce management services that enable agility and resilience in continued uncertainty. ManpowerGroup is one of just four companies and the only in the industry to receive the Pacesetter designation.

Talent Solutions

ManpowerGroup®

Analysts highlighted ManpowerGroup Talent Solutions' data and analytics tools including IntelliReach®, a PowerSuite™ tool providing data analytics and benchmarking to offer a comprehensive view of an organization's entire talent lifecycle and supplier ecosystem. The report also highlighted its deep expertise and workforce advisory services combined with fast-to-market tech-enabled products including RapidRecruit personalized accelerated recruitment technology and RightCoach®, the on-demand virtual coaching platform.

"We know that 38% of organizations have accelerated transformation as a result of the pandemic and the strategic and operational HR demands of organizations are shifting at speed too." Said Stefano Scabbio, Regional President Southern Europe and Brand Leader for Talent Solutions. "More are looking for full-service HR providers with the tools and tech across markets to build resilience and deliver best-in-class employee experience aligned to business strategy. We are proud to be named a pacesetter in this space by ALM."

"The evolution of professional services in workforce management has tracked closely to the business world's journey towards digital transformation." says Liz DeVito, Associate Director and ALM Intelligence Pacesetter Research Analyst. "ManpowerGroup is leading the charge with its exceptionally deep understanding of the operational challenges inherent to workforce management and strong business and labor market intelligence. We are pleased to award them Pacesetter designation in our inaugural Pacesetter report."
