

ManpowerGroup Announces Sale of Jefferson Wells U.S. to Sikich

April 30, 2026 at 1:00 PM EDT

MILWAUKEE, April 30, 2026 /PRNewswire/ -- [ManpowerGroup](#) (NYSE: MAN) today announced the sale of its Jefferson Wells U.S. business to [Sikich](#) for a transaction value of \$100 million.

Across the U.S., Jefferson Wells delivers solutions in risk & compliance, finance & accounting, and tax – across a diverse range of industries, including to public and highly regulated companies – through project consulting, integrated resourcing and executive search. In 2025 Jefferson Wells U.S. revenues were \$76 million.

"This transaction is a great outcome for our clients and shareholders as we continue to refine the portfolio to prioritize investments as part of our ongoing transformation," Jonas Prising, ManpowerGroup Chair & CEO, said. "As we move forward, we are focused on our core business—growing our Manpower, Experis, and Talent Solutions brands, while continuing to connect people to sustainable work and support clients in building the skilled workforces they need to succeed."

The transaction closed on April 30th, 2026, and will result in a gain on sale to be recognized by ManpowerGroup in the second quarter. ManpowerGroup will receive net cash proceeds at closing of approximately \$88 million after working capital and other items. ManpowerGroup plans to use transaction proceeds to strengthen its balance sheet as it continues to invest for sustainable long-term growth.

[Sikich](#) is a professional services firm offering consulting, technology and compliance to the public and private sectors.

"This acquisition enhances existing capabilities across our business, including deep expertise in risk and compliance, finance and accounting, and tax, making Jefferson Wells an ideal fit as we continue to scale," said Sikich Chairman & Chief Executive Officer [Christopher Geier](#). "Both teams share a conviction of a people first culture and the belief that clients deserve practical, actionable solutions delivered at the highest level of quality."
